COMPLETE DATA CONVERSION SERVICES

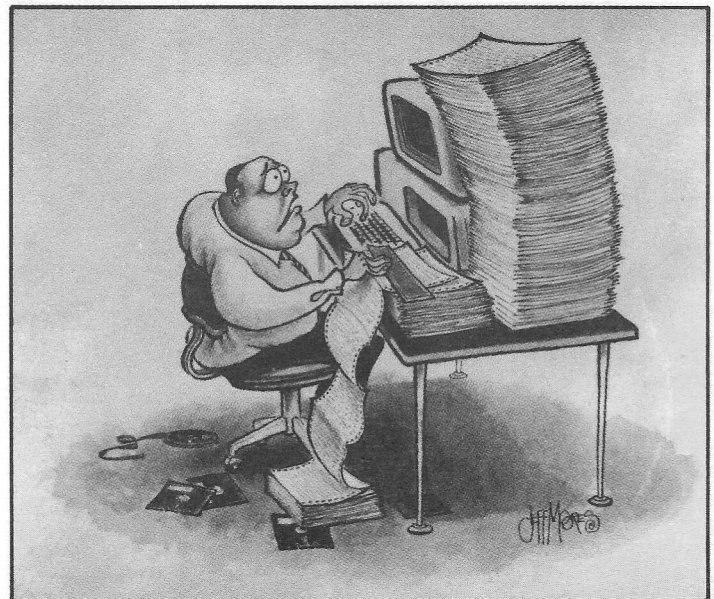

DON'T waste valuable time and resources keying in data from one computer system to another

DON'T lose time and data when upgrading your computer facilities

Our Data Conversion Laboratory saves you time and money. We use the latest disk, tape, and telecommunications technology to reformat information economically with the highest speed and accuracy. We provide you with service, equipment, and supplies.

WE CAN HELP WHEN YOU:

- Acquire a new computer
- Convert to new software
- Move from timesharing to your own microcomputer
- Discover that your application has outgrown your microcomputer
- Need Wordstar* data moved onto dBase II** files
- Need Lotus 1-2-3*** data moved onto your COBOL General Ledger
- **WHENEVER YOU NEED INFORMATION THAT'S LOCATED SOMEWHERE ELSE**

There **IS** a better way

M. J. GROSS & COMPANY, INC. is a full-service computer consulting firm specializing in data base applications. Our Data Conversion Laboratory was established to solve the problems our clients face in using information developed and stored in other computers or obtained from outside sources.

OTHER SERVICES WE PROVIDE ARE:

- Software Conversion Consulting
- Data Base Design and Development
- Feasibility Studies
- Application Design and Implementation
- Communications Consulting
- Microcomputer Installation Review

*Wordstar is a registered trademark of MicroPro, Inc.

**dBase II is a registered trademark of Ashton-Tate

***Lotus 1-2-3 is a registered trademark of Lotus Development Corp.
